Sales

Hire Equip NW Ltd stock an array of construction tools at all sites, including diamond blades, health and safety equipment, drill bits & gas to name a few. We can also offer new tools for sale upon request.

Service & PAT Testing

We offer a full service and repair service should you require it. Our fitters are time served and able to remedy your mechanical problem. Small jobs can be completed as you wait on select items. We will always call you before undertaking any expensive repairs so that you can decide upon the most financially prudent course of action.

PAT testing is carried out in house; we can collect and drop your items once the service has been completed. Please speak to one of our staff members who will be happy to help.
